

Weekly test-preparation planner

Use this planner to spread practice across all skills. Write your target score, your test date and the time you can study each day, then plan one focus per session.

My plan

Test and version: _____

Test date: _____

Target score: _____

Hours I can study each week: _____

Each week, include

- ☐ One timed practice section for every skill
- ☐ Two sessions on your weakest skill
- ☐ A review of every mistake from the week
- ☐ Speaking or writing practice with feedback from your teacher

Weekly schedule

Day	Skill / focus	Minutes	Done
